Volume 3

Quality Perforating, Inc.

Issue 1

Thank you for your support, loyalty and suggestions over the years. As it relates to The Perforating Press (our Newsletter), it was suggested we develop a six month summary of The Perforating Press. So at a glance our clients can view the last six months of topics.

Thanks again for this suggestion. Please let us know of a topic that you would like us to cover in upcoming issues.

Again thanks for all your interest and feedback.
