PRINT REVIEW INSTRUCTIONS

Thank you for your order. Please review the enclosed QPI shop drawing(s) for accuracy and completeness.

Sign each drawing as noted, and provide written approval by return fax or email.

In reviewing these drawings please note the following:

- **Check all dimensions and tolerances. The tolerances shown on a QPI shop drawing are the basis on which we will inspect and verify all products.**
- **Check all details and dimensions; some dimensions may have been modified as dictated by QPI tooling.**
- **For explanation of terminology feel free to contact QPI at your convenience.**

Once approved, we will release for production and advise a projected ship date.

Any delay in approval may result in a subsequent delay in shipment.
